From the slides its not clear we need ORD. but of course you or a replacement are welcome to join. I'm not sure how they came up with the names of who to invite.

Hm. So, now the time is nearing, I don't think I have that much relevance to this Axalta briefing tomorrow on TSCA. I have a PFAS meeting in advance, partial overlap. Do you need me there? Do you need/would it be helpful to have other ORD presence? Jeff Frithsen?

Thanks
